BROKAT FINANCIAL SYSTEMS, INC.**EMPLOYEE CONFIDENTIALITY/NON-DISCLOSURE AGREEMENT**

This Confidentiality/Non-Disclosure Agreement ("Agreement") is made and entered into as of this 1ST day of September, 1999, by and between BROKAT Financial Systems, Inc., ("Brokat"), a corporation organized and existing under the laws of Georgia and having its principal place of business at 6625 The Corners Parkway, Suite 500, Norcross, Georgia 30092, and KARL R. OLSEN ("Employee"). The parties hereby acknowledge the following facts:

- A. Brokat is the developer and licensor of secure integrated transactions solutions for the Internet and other delivery channels utilizing an open modular electronic delivery services platform, Brokat Twister, through which it provides various industries with secure, customized, transaction-based electronic services that are integrated into back-end systems.
- B. Employee is an individual, who is employed by Brokat as Sales Director in connection with the licensing of certain software, technology and know-how from Brokat, which are confidential to Brokat's business (Brokat Software, Technology and Know-How).
- C. Brokat and Employee desire to enter into an agreement whereby Employee will be obligated to keep the Confidential Information confidential during the term of employment with Brokat and, during any utilization of the Licensed Software, Technology and Know-How and for a reasonable period thereafter.

In recognition of the foregoing and in consideration of the release of the Confidential Information to Employee and the following mutual covenants, Brokat and Employee hereby agree as follows:

1. **Protection of Confidential Information.** Employee hereby acknowledges, understands and agrees that all Confidential Information, as defined in Section 2, is the exclusive and confidential property of Brokat and shall be at all times regarded, treated and protected as such in accordance with this Agreement. Failure by Brokat to mark any writing confidential shall not affect the confidential nature of such writing or the information contained therein.
2. **Definition of Confidential Information.** "Confidential Information" shall mean information which is used in Brokat's business and is (i) proprietary to, about or created by Brokat; (ii) gives Brokat some competitive business advantage or the opportunity of obtaining such advantage or the disclosure of which could be detrimental to the interests of Brokat; (iii) designated as Confidential Information by Brokat, or from all the relevant circumstances should reasonably be assumed by Employee to be confidential and proprietary to Brokat; or (iv) not generally known by non-Brokat personnel. Such Confidential Information includes, but is not limited to, the following types of information and other information of a similar nature (whether or not reduced to writing or designated as confidential):
 - a. **Work Product.** Work product resulting from or related to work or projects performed by Brokat or to be performed for Brokat or for clients of Brokat, including but not limited to the interim and final lines of inquiry, hypotheses, research and conclusions related thereto and the methods, processes, procedures, analyses, techniques and audits used in connection therewith;
 - b. **Computer Software.** Computer software of any type or form in any stage of actual or anticipated research and development, including but not limited to, programs and program modules, routines and subroutines, processes, algorithms, design concepts, design specifications (design notes, annotations, documentation, flowcharts, coding sheets, and the like), source code, object code and load modules, programming, program patches and system designs;
 - c. **Other Proprietary Data.** Information relating to Brokat's proprietary rights prior to any public disclosure thereof, including but not limited to the nature of the proprietary rights, production

information independently developed by another person or entity, and Employee understands that such similarity does not excuse Employee from abiding by its covenant or other obligations under this Agreement.

- d. ***No Use, Copying or Transfer.*** Employee will not use, copy or transfer Confidential Information without first obtaining Brokat's consent, and will take all reasonable precautions to prevent inadvertent use, copying or transfer of such Confidential Information. This prohibition against Employee's use, copying, or transfer of Confidential Information includes, but is not limited to, selling, licensing or otherwise exploiting, directly or indirectly, any products or services (including software in any form) which embody or are derived from Confidential Information, or exercising judgment in performing analysis based upon knowledge of Confidential Information.
- e. ***No Use of Name or Trademark.*** Employee agrees not to make any written use of or reference to Brokat's name or trademarks (or any name under which Brokat does business) for any marketing, public relations, advertising, display or other business purpose or make any use of Brokat's facilities for any activity unrelated to the express business purposes and interests of Brokat under this Agreement, without the prior written consent of Brokat which consent may be withheld or granted in Brokat's sole and absolute discretion.
5. **Injunctive Relief.** The parties agree that each covenant and agreement contained in this Agreement is reasonably necessary to protect and preserve the interests of Brokat and that in addition to any other remedies provided by law or equity, Brokat will be entitled to a temporary restraining order and a permanent injunction to prevent a breach of any such covenant or agreement. If Brokat seeks an injunction in order to enforce its rights under this Agreement, Employee specifically waives any requirement that Brokat post a bond or any other security. The parties agree that if Employee should breach any covenant or agreement of Section 4 or 6 of this Agreement, Brokat would have no adequate remedy at law and Brokat would suffer substantial and irreparable injury and damage.
6. **Inventions/Developments.** Employee agrees that any and all developments or inventions conceived by the Employee either solely or jointly with others during the period of his/her employment (i) relating in any way to the activity or business of Brokat, or (ii) conceived or made in the course of the Employee's employment or at the expense of Brokat irrespective of whether the same relates to the activities or business of Brokat, shall be the absolute and exclusive property of Brokat without payments being made to the Employee in respect thereof.
- Employee further agrees that any and all developments or inventions conceived or made by the Employee either solely or jointly with others within one (1) year after the termination of employment (however accomplished) shall be the absolute and exclusive property of Brokat without any payments being made to the Employee in respect thereof, to the extent such invention relates to the business of Brokat with which the Employee had been in contact during his/her employment.
7. **Miscellaneous.**
 - a. This Agreement may not be assigned by either party without express written consent of the other and it shall be binding upon the successors or assigns of either of the parties.
 - b. This Agreement shall be governed by and construed in accordance with the law of the State of Georgia, without regard to the conflicts of laws provisions or principles thereof.
 - c. This Agreement constitutes the entire agreement between the parties respecting the subject matter hereof. No change, modification, alteration or addition to any provision hereof shall be binding on either party unless such change is in writing and signed by an authorized representative of both parties. Any suit brought hereunder shall be brought in the state or federal courts with jurisdiction and venue over Brokat.

- d. This Agreement is effective as of the day and date set forth above, and will remain in force and in effect with respect to the Confidential Information so long as it remains confidential and valuable to Brokat.
- e. In case any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, and this Agreement shall be construed as if such provision(s) had never been contained herein, provided that such provision(s) shall be curtailed, limited or eliminated only to the extent necessary to remove the invalidity, illegality or unenforceability.
- f. No waiver by Brokat of any breach by Employee of any of the provisions of this Agreement shall be deemed a waiver of any preceding or succeeding breach of the same or any other provisions hereof. No such waiver shall be effective unless in writing and then only to the extent expressly set forth in writing.
